**Local News.**  
—Mr. W. H. Smith presented our reporter with some very fine vineless sweet potatoes, his own raising.  
—Do you want to buy a cloak or cape? Caldwell & Ruff have a handsome lot at bottom prices.  
—Mr. Q. D. Williford has raised the largest cabbage we have heard of. It weighed 19 pounds. Who can beat this?

—The delay in getting off our weekly paper was caused by the press being out of order. We will try not to be behind next time.

—Mr. Young Robertson says there are wild geese on Jackson Creek this year, and that such a thing was never heard of before.

—The winter weather has come and with it a demand for ladies' wraps at Lauderdale is prepared to supply. Not quite giving them away, but very near it.

—Mails from the direct letter boxes will be collected at 10:30 a. m., and 6 and 9 p. p. The mail closes at the postoffice ten minutes before the scheduled time of arrival of trains.  
—Jno. D. Smart has a contract to build a dwelling for Mrs. Brockington. It will be built near Mrs. Baco's place. He also has a contract to add several rooms to the house occupied by Mr. Egleston.

—Cheese don't go fast enough at present prices, so until further notice Lauderdale will sell the finest cream at 15 cents per pound.

—Mr. J. H. Skinner says he sold one hundred and fifteen tickets to the fair this week, and says it is just about half of the number sold last year. At this rate all over the State, not more than fifty per cent of the crowd was present to what is generally there.

—Mr. J. M. Stewart offered a gentleman ten cents for a certain lot of cotton—two years ago and it was refused. This gentleman showed the samples of this identical cotton to Mr. Stewart this week and was only offered five cents, but he did not sell it. It is hard for us to know when to sell. If cotton would go to ten cents now some would even refuse to sell.

—"The Hub" is out in a new advertisement this morning. They are wanting to clean out the house for spring goods. They are offering to save you money, and money saved is money made. They only ask you to inspect their stock and prices—then they feel sure they will relieve you of the little wherewithal you have in your pocket. Polite attention and careful treatment is guaranteed. Give them a try.

Some of J. L. Mimnaugh's force sends his "ad." to us in verse. We judge from the metre and general get-up of the "ad." that it is to Mary's little lamb. At any rate it's "all wool" stuff, and in the latest style. They do not say that the goods are made from the wool of Mary's lamb, but one will infer that it grew on a sheep's back and not on a cotton stalk. Read it for yourself and ask yourself the question how do they manage to sell so cheap.

—All parties wanting pictures in the next order will please call and select the frame. The sooner you come the sooner you will get the picture.

**DRUG STORE.**  
—The drug store of McMaster & Co., "The Old Reliable," is trying to keep you out of trouble. They offer for sale lanterns and oil, but if you are unfortunate enough to get hurt in the darkness they will cure you with unction. They have lanterns especially suited for "possum hunters and black books to note the number caught. The reasoning for that "possum" may be had there also, and if you "eat too much possum" they have a digester for you. They constitute a regular insurance company for "possum hunters." Read their "ad."

It will astonish you how quick Johnson's Magnetic Oil will kill all pains, internal and external; \$1.00 size 50 cts.; 33 cts. size 25 cts. Winnboro Drug Store.

**COLORADO FAIR ASSOCIATION.**—The stockholders of the Colorado Fair Association will meet in Winnboro on Saturday, the 17th, to perfect arrangements for their fair. A full attendance is requested.

**HER CLOTHING WAS ON FIRE.**—Mrs. Austin went to the front door to answer a call, and as she arrived the colored girl, who had knocked, found her dress burning. Had not the girl seen the smoke it might have been a serious matter.

**DEDICATION SERVICES.**—The new Lebanon Church will be dedicated on the 4th Sunday in this month, November 25. Rev. W. G. Neville, of York, will conduct the exercises. All are respectfully invited to be present on that occasion.

**Johnson's Compound Cod Liver Oil** makes rich blood, restores lost vitality, cures dyspepsia, creates flesh and is palatable and easily taken. Winnboro Drug Store.

Highest of all in Leavening Power.—Latest U.S. Gov't Report

## ABSOLUTELY PURE

**TWO BOLD, BAD BOYS**—Geo. Harris and Harry Williams, the two tramp boys who stole Rev. C. E. McDonald's keys on Sunday evening, were confined in the guard-house forty-eight hours on bread and water. Mr. J. E. McDonald, the attendant, turned them out on Wednesday. One of them was very impudent and said the charge could not be proven. Mr. McDonald gave him some pretty strong talk and sent them out of town on promise not to return again.

For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by all druggists.

**LATE CORN.**—Our reporter saw some corn on Saturday which was planted on the 28th day of June. It was not a six weeks species nor the Golden Dent, but the common yellow corn. The ears were of good size, well filled and sound. This corn was raised by Mr. T. P. Ligon. It appears to us that this should encourage the farmers who lose a stand. We think every one should plant early, but if they fail should not be discouraged if it will come after the 28th of June.

**LEARN TO BE WISE.**—There is no excuse now for ignorance in this country. We have newspapers and periodicals at a small cost. Your children may attend public schools free of cost; and now comes the Winnboro Drug Store and says they will sell school books at cost. So you are inexorable, oh, man! They offer slates, tablets, pens and pencils at a low figure. Learn your child to write while it is young. If it gets too sick to talk it may write on the slate that it wants some medicine from the Winnboro Drug Store. You will find there also the tumbler or wine-glass to administer the medicine from. And they have still a little matter that should interest you—that little bill.

**Persons.**  
Mr. R. H. Simpson is in town.  
Mr. T. F. Davis left for Killbuck, her home, on Saturday.  
Rev. W. S. Stokes has gone to attend a meeting of Conference.  
Mr. Henry L. Parr, who received 37 shot in his body, was in town on Monday. Several shots were worked out on the right side which entered on the left side. He is getting along very well so far, however.

Mr. Robt. Matthews, son of Mr. R. T. Matthews, who is attending the South Carolina College, in Columbia, spent Saturday and Sunday here.

Mr. and Mrs. G. E. Wilcox, of Concordia, New Hampshire, are visiting Mr. C. H. Scruggs, the father of Mrs. Wilcox. They will spend a while with Mr. W. J. Scruggs in Columbia before returning North. Mrs. Wilcox is very much pleased with her Northern home.

Miss Laura Gerig has returned from Orangeburg where she has been visiting the family of Mr. Sain. Miss Minnie Sain returned with her and will remain here some time.

Miss Julia Fripp, after visiting relatives for two months in Beaufort, Savannah, Macon and Atlanta, returned home last week to take charge of her school.

**RELIGIOUS MEETINGS.**  
Rev. W. K. Boggs, evangelist of Bethel Presbytery, will begin meetings as follows:

Pilot Hill, November 23, at 11 a. m.  
Bear Creek, November 30, at 11 a. m.  
Ridgeway, December 7, at p. m.

**SIMS-WALLACE.**  
Married, at the residence of Trial Justice W. B. Hogan, on the 11th inst., Mr. John Sims to Miss Olive Elizabeth Wallace; all of Fairfield county. Twenty Creek is on a boom; wedding bells have begun to ring.

**TWENTY CREEK.**  
**A CARD OF THANKS.**  
I desire to thank the kind people of Fairfield County for the attention and care shown me after I was so foolishly shot down in my own door in the night time. I am unable to see each and everyone and ask space in the columns of THE NEWS AND HERALD to do so. I greatly appreciate the kindness of these good people. HENRY L. PARR.

What's Good News? Dr. Miles' Pain Pills.

**MR. JACKSON IS READY AND WILLING TO EXPLAIN.**  
Mr. Editor: In your last Weekly you say that there are some things in regard to the registration books which you think need explanation.

I am always ready and willing to explain anything in connection with my office if the public so desire.

Respectfully,  
W. F. JACKSON,  
Supervisor of Registration.  
Change in the Schedule.  
There has been a slight change in the schedule; the north-bound day train arrives here at 11:07 a. m. and the north-bound day train arrives here at 4:43 p. m. The south-bound night train arrives here at 1:02 a. m. and the north-bound night train arrives here at 4:23 a. m. This change does not suit us any better as we want the north-bound mail before time to go home in the evening; but it gives a little more time to persons going to Columbia on business.

**A SAD DEATH.**  
On Tuesday morning death robbed the family of Mr. J. H. Aiken of one of its dearest members. Miss Mary Rita Aiken, the oldest living child of the family, passed away after an illness of twenty-six days. She was in her sixteenth year, was a bright and promising young lady, and her loss is a sad bereavement. The remains were laid to rest at Salem churchyard. She had connected herself with this church and lived a consistent member. We extend our sympathy to this stricken family.

**Pro Bono Publico.**

Desiring to promote the educational interest in this town and county we have determined to insert advertisements for teachers, by trustees of schools, or positions needed by teachers for the small sum of fifty cents. If you are a teacher (white or colored) and want a place send us fifty cents and we will advertise for you for three months. If the trustees of a school need a teacher let them send us fifty cents and we will advertise for one for a period of three months. The cash must accompany the advertisement as it is a mere nominal price, and only done to benefit the public school system.

**THE OFFICIAL COUNT.**

The following is the official vote in this county at the recent election:  
For Congress—Wilson, 994; Melton, 294.  
For Governor—Evans, 778; Pope, 403. State officers 862; Buchanan got 864 and Wilborn 863. Reform legislative ticket, 868; League (Democratic) 428. For School Commissioner—Stevenson (Reform), 824; Durham (League), 434. Probate Judge—S. R. Johnston (Reform), 836; Broom (League), 414. County Supervisor—Tennant (Reform), 835; Hollis (League), 425. For constitutional convention, 721; against, 441.

The vote for Governor and Lieutenant Governor was not counted at Horeb, because the managers failed to certify to this particular count. The Gladden Grove box was thrown out; the managers at this place did not come for the boxes and opened a poll. The League Democrats opened a poll but it was thrown out. There was no contests at the counting.

**An Old Time Rev.**

On last Saturday evening the northern end of town wore an aspect common to it about fifteen or twenty years ago. At that time it was the place where most of the differences that arose between men were settled in the old time way. On this occasion Ed. Rosboro, the porter at the express office here, seemed to be in a vigorous mood, and according to subsequent testimony tried to play "cow-boy" at Jno. Chappell's fish and oyster stand. The testimony of Chappell and others was to the effect that Ed. was creating disturbance and when asked to leave by Chappell replied he would not. A row started which became contagious, and in the melee Billy Madison struck Frank Thompson on the head with a rock and inflicted a painful wound. Madison emigrated at once and Thompson (who seems only to have been in the interest of peace), took out a warrant for him immediately. To go Pinkney and Rosboro agreed to go out and finish it according to Queensbury rules, but as Rosboro was demonstrating the practice according to the rules he observed that Pinkney was not observing the rules, but on the contrary, had Rosboro's thumb in his mouth. Rosboro therefore concluded to quit the game. The police made a drag net haul and all went before the Mayor at 5 o'clock. Everyone was released but Rosboro; he got \$20 or thirty days in the guard-house. Rosboro says they were gambling; if this can be proven there will be some more stock to lead to water from the guard-house for the next ten or fifteen days.

**HE SAW WHAT THE LORD SAW.**

Mr. Walter M. Cleud, a traveling salesman from Norths, on the South Bound railroad, saw while on some of his many trips through White Oak, what the Lord saw in the Garden of Eden—that it is not good for man to be alone. From subsequent proceedings it transpires that he became thoroughly imbued with this idea. Accordingly on the evening of the 13th of November, at ten minutes past six, he led to hymns after one of the fairest daughters of White Oak, Miss Sallie B. Neil, the only daughter of Mr. John H. Neil.

The ceremony took place at the A. R. Presbyterian Church. The church was tastefully decorated with evergreens and flowers, such as the gentle hand of woman alone can do. The following lady attendants advanced up the aisle, preceding the bride and groom, Misses Eliza Patrick, Nora Hamilton, Jeanette Patrick, Sallie Patrick and Addie Hye. Miss Maggie Hamilton acted as maid of honor, and Mr. Jas. J. McDowell as best man. Two flower girls, Misses Kittie Patrick and Jennie Flenniken, led the procession up the aisle and opened the gates of flowers at the outlet of the aisle—the lady attendants passing each in front of the altar, crossed over to the opposite sides from which they came and took their positions on either side. The bride and

The best wishes of THE NEWS AND HERALD goes with them.

Henry Wilson, the postmaster at Welshon, Florida, says he cured a case of diarrhea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by all druggists.

**WORK OF THE METHODISTS.**

As our conference year is nearing its close and our pastor is soon to leave us to go up to Conference, I have been retrospectively the work of East Chester circuit under his pastorate, would like to point out some of its growth and achievements under his faithful ministry.

At Ebenezer there has been completed (putting in carpet and organ) and dedicated, a handsome church building that does credit to the Methodist of that section. An effort is now being made to enclose the graveyard.

At Mt. Prospect they have made some improvements and expect to remodel their church soon.

They too have recently purchased an organ. Also an effort is being made to enclose the graveyard. At Sharp's Chapel within the last few months has been erected a large church building when finished will equal any on the work. At this place is located our circuit parsonage, as pretty and comfortable a cottage home as generally falls to the lot of an itinerant Methodist preacher in the country. We have it only partly furnished.

Bethesda has purchased an organ and bids fair to stand well amongst her sister churches in the charge.

At each of these churches there has been special meetings held with good results. The membership has been increased about thirty. There has been good Sunday schools at all four churches; also a weekly prayer meeting at three of the churches. A. W. F. M. S. at Ebenezer, Mt. Prospect

and Bethesda. I feel assured that we are on the up grade—both spiritually and financially. The grandeur of the success seems to pointing us to undiscovered fields of enterprises. Our pastor came to us about two years ago to bless us with his presence and prayers.

As he leaves us to go up to Conference we are sure he will leave with us some of the sacred fire of his unabated zeal for souls. The initial sentiment and desire of East Chester Circuit is to have him with us yet another two years. However, we are perfectly resigned to any change that might be for the glory of God.

**SUDDEN DEATH!**

**A Community Shocked.**  
"Last evening, just after tea, while Mr. Thomas Hartman, a prominent and highly respected citizen, apparently in the best of health and spirits, was reading a newspaper, he suddenly fell to the floor; he placed one hand over his heart, gasped, and sank back in his chair, evidently unconscious. The family were stricken with consternation and immediately summoned a physician. But it was too late. The old gentleman was dead. Physicians gave heart disease as the cause."—*Edinboro Herald.*

Every day the papers contain statements similar to the above. Even youth is no defense against heart disease, and the awful rapidity with which it is claiming victims forces upon all a conviction of its prevalence. Reader, if you have a symptom of this dread disease do not hesitate a moment in attending to it. Delay is always dangerous, and in heart disease too often fatal. Some symptoms of heart disease are shortness of breath, fluttering, or palpitation, pain or tenderness in left side, shoulder, or arm, irregular pulse, smothering, weak or hungry spells, fainting spells, drowsy, etc.

Charles Raven, York, Pa., writes: "I suffered from heart disease 22 years. Frequently my heart would seem to jump into my mouth, and my mind made me feel that I was going to die. I was no relief. I became so much worse that I was not expected to live, but was induced as a last resort to use Dr. Miles' New Heart Cure. The second day I felt greatly relieved, and at the end of four days I was able to get up. My attitude is too deep for expression."

Joseph Lockwell, Uniontown, Pa., aged 82 years, says: "For four years previous to beginning the use of Dr. Miles' New Heart Cure I was afflicted with heart disease in a very severe form. Had taken all so-called cures, but with no benefit until I used Dr. Miles' remedy, one bottle of which cured me. I feel that I owe my life to it."

J. D. Bethesda, High Point, Pa., makes the following statement: "I was a wreck from heart disease and stomach trouble when I began using Dr. Miles' New Heart Cure and have since been able to do my usual work."

Dr. Miles' New Heart Cure is sold by all druggists on a positive guarantee. If sent by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of \$1.00, it is positively free from all opiates or dangerous drugs. Dr. Miles' Nerve and Liver Pills, 25 cents per box, five boxes, \$1.00. Mail anywhere. Free book at druggists, or by mail.
